PRESS ACCOMMODATIONS

Press credentials are available to members of the working media wishing to cover the Chiefs or their opponent. Because of limited press box space, seating will, on occasion, be in the box seat area. Photo and field passes are available when applicable. Request for credentials must be made by 5:00 PM for night games and one day prior to day games.

Credentials can be picked up near the employees gate (third base side) beginning two-hours before game time. If it is necessary for early entrance to the stadium for field interviews, please make this known in advance so appropriate arrangements can be made.

CHIEFS FIELD MANAGER

Manager: Robert Michael Bailor
 Born: July 10, 1951; Connelville, PA
 Education: Graduated from Geibal High School in Connelville, PA. Attended California State College.
 Residence: Palm Harbour, Florida
 Family: Wife Jamie and Son Bobby

Bob Bailor became the Syracuse Chiefs 25th manager in the club's history, when he was named to replace Doug Ault in October of 1987. The native of Connelville, PA, began his professional baseball career in 1970 at Bluefield (APL) in the Baltimore Orioles organization.

After spending 16 years as a player, 11 at the major league level with Baltimore, Toronto, Los Angeles and the New York Mets, Bailor rejoined the Blue Jays organization as the manager of their Dunedin club in the Florida State League in 1987. He led the Blue Jays single-A club to a 76-64 record and a second place finish.

In 1988, Bob led the Chiefs to a second half surge (47-25) to finish second in the International League West and third place overall. The 1989 season saw Bailor's club grab first place on opening day and not relinquish it all season. The Chiefs lost the Governor's Cup to Richmond after capturing the Eastern Division Championship. Bailor was named Minor League Manager of the Year for his efforts.

During his playing career at the minor league level, he spent parts of four seasons at Rochester in the International League (1973-76), and was named the I.L. All-Star shortstop in 1975. He appeared in 636 games between 1970 and 1976 and batted .288 with 187 stolen bases.

At the major league level he appeared in 955 games from 1975 to 1985, and batted .264. His best season was 1977 after the Blue Jays selected him from the Orioles in the 1976 Expansion Draft. He batted .310 and was named the Blue Jays MVP. Bailor gained the honor again in 1978. He spent two more seasons in Toronto, before being traded to the Mets for Roy Lee Jackson. He remained with New York for three years (1981-83) until he was traded to the Dodgers for Sid Fernandez. He finished his career with Los Angeles in 1986.

INTERNATIONAL LEAGUE RULES AND POINTS OF INTEREST

CURFEW

Except during the last home series of games between two clubs, no inning of a championship game of this league shall start after 12:50 A.M. The time to be used will be the time Standard or Daylight in use in the city in which the game is being played. During the last home series of games between two clubs, no time limit shall be in effect when such time limit becomes necessary in order for either team to meet its next schedule assignment.

PROTESTED GAMES

A game may be protested, provided the protest is based upon a violation of the Constitution, By-Laws or Rules of the International League or an Umpire's misinterpretation of, or failure to comply with, apply and enforce the Official Playing Rules. No protest shall be considered that involves merely the accuracy of an Umpire's judgement on a play or other matter of fact, not a point of Rules.

SUSPENDED GAMES

A called game ends at the moment the umpire terminates play. EXCEPTION: If the game is called while an inning is in progress and before it is completed, the game becomes a SUSPENDED GAME in each of the following situations:

1. The visiting club has scored one or more runs to tie the score and the home team has not scored.
2. The visiting team has scored one or more runs to take the lead and the home team has not tied the score or retaken the lead.
3. If a game has not become a regulation game (4½ innings with the home team ahead, or 5 innings with the visiting club ahead or tied).
4. Any regulation game tied at stoppage of play due to weather, curfew, or any other reason.
5. If a game is suspended **before** it becomes a regulation game, (4½ to 5 innings) and resumed at a later date, the second game will be limited to seven (7) innings.
6. If a game is suspended **after** it is a regulation game, and is continued prior to another regularly scheduled game, the regularly scheduled game will be a nine (9) inning game.

EXCEPTIONS: The above sections (3), (4), (5) and (6) will not apply to the last scheduled game between the two (2) teams during the championship season, or League playoffs.

Any suspended game not completed prior to the last scheduled game between the two (2) teams during the championship season, will become a called game.

The suspended game rule is in effect during all regular season games except the last scheduled game of the Championship Season.

DOUBLEHEADERS

In no event shall more than two games be played on any date except when considered necessary in the judgement of the President of the league. Any suspended game may be completed before the playing of a scheduled or make-up doubleheader.

The second game of a doubleheader shall start twenty minutes after the completion of the first game unless otherwise stipulated by the home club prior to the start of the first game.

Doubleheaders shall be two 7 inning contests, except when two admissions are charged on the same date. When this occurs both games shall be 9 innings (Generally referred to as a split doubleheader.)

Each club may schedule one split doubleheader in a championship season.

Exception: No visiting club can be scheduled to play more than one split doubleheader during a championship season without the visiting club's approval.

(continued)

INTERNATIONAL LEAGUE RULES AND POINTS OF INTEREST (CONT'D)

DOUBLEHEADERS

When a doubleheader is scheduled, there being two games advertised for one admission, under no circumstances may the second game be started until the first game is completed. If the first game is started, but has to be called before it is completed, then both games are off.

In the event weather or other rare events cause a minimum of a two hour delay in the start of a two-night doubleheader, it is permissible to play a nine inning single game instead of a doubleheader providing approval is obtained from the managers of both clubs. It is imperative in this instance that the change be announced to those fans in attendance and that a refund is available for those who wish to receive it in lieu of seeing a single game.

TIE IN THE FINAL STANDINGS

If the championship race should end in a tie or ties, such tie or ties shall be played off as prescribed herein, so that the order of the first four teams may be determined and the schedule of games in the Governors' Cup series arranged accordingly.

When two clubs finish the regular championship season in a tie for first or fourth place, the clubs shall play one game the next day to determine their final standings.

The club with most wins in head to head season series shall determine the city where game is to be played. If two clubs are tied in head season series, league president will toss coin to determine where game is played. If there should be a tie for second or third place, the club with the most wins in the head to head seasonal series between the two clubs, shall be awarded the higher position in the final standings for the playoff scheduling only. If a tie still remains, the club with the most wins against first division clubs, only (top four clubs) shall be awarded the higher position in the final standings for the playoff scheduling only. If a tie still remains, the president of the League, or some disinterested person appointed by him, shall toss a coin to determine the position in the final standings for the playoff scheduling only.

To be eligible for the batting championship, the player must have the highest batting average and 375 or more plate appearances.

PITCHING CHAMPION
